

HEATING • AIR CONDITIONING • REFRIGERATION

HVAC Installer

DG Service Company is seeking a qualified HVAC installer for a full-time permanent position, with consistent hours from 7:30 AM- 4:00 PM, Monday - Friday. There is an opportunity to work overtime if you'd like.

Company Overview: DG Service Company is based in Mattapoisett, MA. We have been providing high quality HVAC/R services to Southeastern Massachusetts businesses and residents for over 30 years. Our mission is to keep our customers comfortable in all seasons and preserve their investments in heating, air conditioning and refrigeration systems by offering the best possible repair and installation services.

The company's experienced technicians work closely together to connect all phases of HVAC/R systems-design, installation, maintenance, and repair.

- **Required Qualifications:** Minimum 3-5 years hands-on experience with HVAC installation.
- **Major Responsibilities and Duties:** Ability to lead installations and replacements including furnaces, heat pumps, central HVAC with ductwork, boilers and radiant heat. Sheet metal fabrication experience preferred
- **Additional Skills:** A positive attitude, strong team player and a self-starter are all essential.
- **Requirements:** Candidate must have a valid driver's license, reliable transportation, be legally authorized to work in the United States, and be willing to submit to a background check.
- **Salary:** Commensurate with experience & licensing/certifications
- **Work Territory:** Southeastern Massachusetts
